

Open possibilities.

The background of the advertisement is a photograph of a modern, minimalist interior. It shows a long, bright hallway with white walls and a dark wood floor. Large windows on the right side offer a view of a calm lake and distant hills. The lighting is soft and even, highlighting the clean lines of the architecture.

Entrance **handles**

Marine grade **stainless steel**

Make a bold entrance with this range of **contemporary and beautifully finished entrance handles**, made from high grade stainless steel.

Corfu

Open possibilities.

We believe that **style lives in the details**, because it's the details that bring everything together in a home.

Our door hardware, deadbolts and electronic locks provide **open possibilities** for homeowners to reflect their style.

Every day, Schlage creates solutions that bring our customer's visions to life. These solutions make homes and lives **smarter, safer and more beautiful.**

At the end of the day, **we're opening a lot more than just doors.**
