Schlage Sense™ Smart Deadbolt to be discontinued from 1 July 2020

In February 2020 we excitingly announced the launch of our latest Schlage smart deadbolt; Schlage Encode™ Wi-Fi Deadbolt. With the popularity of this newest addition to the Schlage electronic and smart lock portfolio, we have decided to discontinue the Schlage Sense™ Smart Deadbolt that was launched in 2016.

From 1 July 2020, the following Schlage Sense™ Smart Deadbolt products will be discontinued;

- SRE60078 – Schlage Sense™ Camelot in aged bronze
- SRE60077 – Schlage Sense™ Camelot in satin nickel
- SRE60075 – Schlage Sense™ Century in matte black
- SRE60076 – Schlage Sense™ Century in satin nickel

The Schlage range of electronic locks is still extensive with new products being added regularly, including the stand alone electronic Schlage S-Series (S-480, S-6000, S-6800, S-7800) and the Schlage Encode™ Wi-Fi Deadbolt. To view the range, visit www.allegion.com.au/keyless

Allegion Australia will continue any aftersales support of the Schlage Sense™ Smart Deadbolt.
